Home Learning Summer 1 Year 1

Theme: What is life like in an African town?

We will be learning about the continent of Africa this half term. In **Geography** we will learn that there are over 50 different African countries and the landscape is different in each (hot dry deserts, cold mountains or warm wet rainforests). We will find out about life in the savannah and traditional homes in Kenya. We will learn about weather around the world in **Science** and start to identify how the weather changes each day in the UK. In **Maths** we will recap how to subtract, and become more confident at counting in groups to learn about multiplication and division. We will solve problems involving groups and sharing. In **English** lessons our writing will be based on the stories 'Anna Hibiscus', 'Lila and the secret of rain' and 'One day on our blue planet: In the Savanah'. We will learn about shadows, den building and tying knots in **Forest School**. In our **RE** lessons we will learn about special books for Muslims (Qu'ran) and Christians (Bible) and the stories that are found in different religions. In **Music** we will explore creating rhythms and patterns often found in African music. We will use the chromebooks in **Computing** to create musical patterns. In **Spanish** we will learn about striking and fielding when playing ball games. Please let us know if you have any useful information or resources which you would be willing to share with us.

Welcome to our home learning menu. This home learning sheet will be sent home each half term with a choice of 'menu' activities for you to choose to complete. There are some daily tasks too listed below.

Bring back all of your menu tasks by Wednesday 25th May ready to share with the class ©

Please read at home daily. This could be a shared read with a member of your family, an opportunity for you to read to an adult in your family or a time to quietly read and enjoy a good book on your own. You can read stories, fact books, letters, magazines, newspapers, recipes, instructions or online text on https://www.oxfordowl.co.uk Wername: year1cts Password: cherry Please remember to sign your child's reading record every time they read. In Maths lessons this half term, we will learn about adding, subtracting and multiplication. Please try to do some counting or ordering practise every day (toys, stairs, fruit, chocolate buttons, houses you walk past anything really!) If you have any Orchard Toy puzzles, these are really good and fun for the family.
