Incy Wincy Spider Prop

Supplies

- Toilet or kitchen roll tubes
- Googly eyes
- Paint
- Blue tissue paper
- Scissors
- Sticky tape

1 Hold the toilet or kitchen roll tube vertically, then cut 10 evenly sized strips going vertically up the tube. Make sure each cut ends at the same point.

2 Cut two of the strips off at the base; ensure that these two strips are opposite each other. This should leave you with 8 legs.

3 Pull the 8 legs outwards and fold into the desired position.

4 Repeat steps 1 to 3 with two more tubes.

5 Paint the tubes, then allow to dry.

6 Stick on the googly eyes to the front of the spiders' bodies.

7 Paint on a smile, along with any other features you would like the spider to have.

8 For the rain, take some pieces of tissue paper and place them on top of each other in layers.

9 Pick up the layers of tissue paper and cut strips vertically into them, ensuring the cuts do not go right to the top.

10 Finally, gather the sheets of tissue paper together at the top to make a handle. Then secure and strengthen this by sticking tape around it. The taped end can then be placed inside a cardboard tube which has been painted, to make the drain pipe.
