

The Great Easter Bake Off comes to Cherry Tree School!

Traditionally Easter is a time when we are with our families and share meals and hand out Easter eggs.

Get baking for the Easter weekend. You could bake traditional simnel cakes, hot cross buns, chocolate nests, Easter biscuits and plenty more tempting treats. ...There are lots of Easter cakes you can make to share with the family you are with now.

Spend some time baking together and then enjoying all the delicious things you have made. Please send pictures to your teachers so we can celebrate together.
