

Home Learning Autumn 1 Year 6

CHERRY TREE
PRIMARY SCHOOL

Theme:

During this half term we will be exploring the purpose of the Grand Union canal and investigating the impact it has had on Britain both in the past and today.

In Science we will be looking at what makes up the human body and how it works.

This home learning sheet will be sent home each half term with a 'menu' of topical activities and some daily/weekly tasks for you to work through. Daily and weekly tasks will be monitored, and the 'menu' activities are due in during the last week of the half term. An activity from each 'course' should be completed.

<u>Daily/weekly activities</u>	<u>What to do and where to find them</u>
Reading	Please read at home daily. This could be a shared read with a member of your family, an opportunity for you to read to an adult as well as time to quietly read and enjoy a good book on your own. Please record this in your reading record. Your reading record should be signed weekly by an adult and you should bring it to school daily with your reading book.
Maths – 25 mins (weekly)	Please use these websites to support what we have been learning in class and to practise key skills such as times tables using www.purplemash.com , www.trockstars.com If you are looking for an extra challenge have a look at this site: https://nrich.maths.org
Spellings	Look at this week's list and practise these spellings as often as you need to. Put these words into sentences in your home learning book to show you understand them. When reading, try to spot some of your spelling words. How many can you find?
Keeping connected	We will be sharing the amazing things we do in school on Twitter. @MrsMalhotraCTS @MissPatmanCTS We love to celebrate work and kindness with a note to parents on Marvellous Me. If you have not already downloaded Marvellous Me then please do and check your notification settings. If you are not sure of your log in details, then just ask and we can help. Go to https://marvellousme.com/

Complete one activity from each course. Homework due week commencing 17th October 2022

Drink	Starter	Main	Dessert	Cheeseboard
<p>Research how a lock works on a canal and create an information leaflet or google slides presentation.</p> 	<p>Make a model of a human skeleton. Label the bones. As a challenge, can you label anything else? <u>E.g.</u> the names of joints.</p> 	<p>Write a story from start to finish with a problem in the middle. Remember to include setting descriptions and character descriptions.</p> 	<p>Keep a diary of all the exercise you do. Can you beat your personal best?</p> 	<p>Design and create a board game for practising an area of maths. <u>E.g.</u> times tables, shape, algebra</p> 
<p>Write a persuasive advert to encourage people to book a canal holiday. Think about all the things they can do for fun on the water and where they could go!</p> 	<p>Use purple mash to design an animation on how the respiratory system or the digestive system works.</p> 	<p>Take a photograph of a place you like to visit <u>e.g.</u> your Nan's garden, the park, a museum. Write a setting description including a simile, a metaphor and some personification.</p> 	<p>Create an exercise programme for someone who is isolating. What could they do within their own home to keep fit?</p> 	<p>Measure the rooms in your house. What is the perimeter of the rooms? Can you use these measurements to find the area of each floor?</p> 
<p>Draw your own map of where The Grand Union Canal goes. Can you add on any landmarks in the areas you have drawn?</p> 	<p>Write a poem or rap informing people how to keep their bodies healthy.</p> 	<p>Write a poem about your favourite thing to do. Why do you enjoy it so much and how does it make you feel?</p> 	<p>Run a mile around your neighbourhood (with parent permission). Can you do it weekly and keep track of how long it takes you? Can you improve your time?</p> 	<p>Write a book review on a book that you have read in Year 5. Would you recommend it to your classmates? Why/why not?</p>
