

Home Learning Autumn 1 Year 3

CHERRY TREE
PRIMARY SCHOOL

Theme: Who are we? During this half term we will be investigating where we live and our local environment. In Science we are investigating bones and nutrition.	
Welcome to our new format for home learning. It may look familiar as we have chosen a similar format to the home learning that so many of you have enjoyed doing last term. This home learning sheet will be sent home each half term with various 'menu' activities for you to work through and some daily tasks too listed below. Spellings will be sent home weekly to ensure you have the challenges you need to become a super speller!	
Reading – 10- 20 mins	Please read at home daily. This could be a shared read with a member of your family, an opportunity for you to read to an adult in your family as well as time to quietly read and enjoy a good book on your own.
Maths - 20- 30 mins	This term we are focussing on number and place value. We look at the value of each digit in a number up to three digits and explore different ways to regroup these numbers. Please use this site to support your learning: https://www.topmarks.co.uk/maths-games/7-11-years/place-value . If you are looking for an extra challenge have a look at this NRICH challenge: https://nrich.maths.org/8958
Times Tables - 10 - 15 mins	Log on to Times Table Rock Stars or a similar Maths website to practise your tables.
Spelling - 5 - 10 mins	Look at this weeks list and practise the spellings. Can you next put these spellings into sentences? When reading look out for words with our spelling pattern and add them to the list. How many can you find?
Handwriting - 5 - 10 mins	Use your home learning book to practise your 10 spellings. Look through the writing challenge menu and select your challenge each week. This too can go into your home learning book. Remember to WOW your family with your fantastic handwriting skills!
Keeping connected	We will be sharing the amazing things we do in school on Twitter - @MissPhillipsCTS and MrsSibbit@CTS. If you have not already downloaded Marvellous Me then please ensure that you do. If you are not sure of your log in details then just ask and we can help to get you following us.

Home Learning Autumn 1 Year 3

Your menus for this half term.

Theme Menu Year 3

Choose **one** starter, main and dessert activity to do over the half term. You have five weeks to finish your meal...I mean homework! Bring back **by Wednesday 20th October** ready to share with the class ☺.

Starter	Main	Dessert
Find out at least two amazing facts about Leavesden. You will need to share this with the class in a format of your choice.	Leavesden is where Marvel films are now made. Read a comic and then create your own comic strip adventure.	Bake something delicious to share with your family. You may need some help with this one. Bring a photo in to share with the class.
Choose 3 different types of aeroplanes from WWII and create a poster to share with the class telling us all about them.	Create a piece of artwork inspired by the trees around you. You cannot however use pencils, crayons, paints or chalks!	Our birds insects are still and very busy at this time of year. Carry out an insect/ bird survey of the visitors to your garden or visit the park and carry out a survey there.
Discover where you live! Go for a walk and list at least 10 things you see and what they tell us about the place we live in.	Paint a pebble. Find the perfect pebble and let your imagination go wild!	Plan a healthy menu for a day, to share with your family. What will you include and why? Be sure to include your 5 a day

Writing Menu Year 3

Choose your writing activities to complete in your Homework Book.
Bring back to school **by Wednesday 20th October** ready to share with the class ☺.

Describe your favourite book character. 	Write about your favourite animal. 	Sit outside in your garden or the park and describe everything you can see around you. 
Draw and describe an alien. 	Draw a map of a treasure island and label at least 10 things we would find there. 	Write a recipe for your favourite fruit smoothie. 
Write a big list of words that start with the first letter of your name. 	Write a letter to a friend or relative. 	Write a story featuring your oldest toy.
