

Theme Menu Year 5 Summer 1

Theme:

During this half term we will be investigating **What and where are the rainforests?**

In **Science** we will be finishing our **'Properties and Changes in Materials'** topic. We will then be investigating **Life Cycles**.

Choose **one drink, starter, main, dessert** and **cheeseboard** activity to complete in your Home Learning Book. You have **six weeks** to finish your meal. Please bring them back **by Tuesday 24th May** ready to share with the class.

Drink	Starter	Main	Dessert	Cheeseboard
<p>Design a smoothie using plants you would find in the rainforest.</p> 	<p>Create a rainforest word search.</p> 	<p>Write a story about being lost in the Amazon.</p> 	<p>Write a weather report for the Amazon Rainforest.</p> 	<p>Find and research the life cycle of an animal that lives in a tropical climate.</p> 
<p>Use household items to represent fractions, decimals or percentages. Can you represent all three? Take photos and label.</p> 	<p>Create a Rainforest quiz for the class with 15 questions (you'll need to make an answer sheet too).</p> 	<p>Visit a local wood and write a diary entry as if you had just discovered this for the first time. What surprising things will you find?</p> 	<p>Write a postcard home describing your trip along the Amazon River.</p> 	<p>Create a social media profile for Maia or Finn from 'Journey to the River Sea'.</p> 
<p>Sketch your favourite character from 'Journey to the River Sea'.</p> 	<p>On paper, design an eco-friendly home that could survive in a rainforest. Include annotations.</p> 	 <p>Write a biography about an Amazon explorer.</p>	<p>Design and make a boat that will move and float. Think scientifically about the best materials to use.</p> 	<p>Design and make a game that includes a maths concept and rainforest animals! (you'll need to write the rules).</p>
