We will be learning about famous artists who are inspired by nature in **Art** lessons. We will look at artists who use printing techniques to create patterns to reflect nature. In **Science** we will develop an understanding of common plants and flowers and how they change over the year. In **English** lessons our writing will be based on stories and poems about nature and growing plants. In **Forest School** we will practise our forest school skills and learn about the festival of Easter in **RE**. We will listen to "What a wonderful world" by Louis Armstrong in **Music** and learn the colours in **Spanish**. We will continue practising to log into the Chromebooks in **Computing**.
