<p><b>Reading:</b></p>	<p><b>PE and School Uniform</b></p>
<p>Cherry Tree we understand the importance of enabling our children to become confident and enthusiastic readers. Reading frequently to children, and engaging them actively in stories, non-fiction, rhymes and poems, will give children the opportunity to thrive.</p> <p>Books are used in every area of our teaching and are an integral part of Cherry Tree School. Please read with your child at home, encourage them to read independently and ensure that a log of their reading is kept in their Reading Record which will be brought into school each day.</p>  <p>(This can include online books, recipes, instructions, shopping lists, letters, postcards, newspapers as well as stories).</p> <p>Please let us know if you are free to listen to children read.</p>	<p>PE is on a Tuesday morning but we do expect the children to have their PE kits in every day.</p> <p><b>PE - Tuesday am</b>                  Daily mile - <b>daily</b>                  5 a day - <b>daily</b></p> <p>All PE kit should be named and left in school on your child's peg. It can be taken home at half term to be washed.</p> <p>We are practising getting changed quickly and putting our clothes away. Please make sure all uniform is labelled and children have a chance to practise changing at home to speed up this process!</p> 

**Home Learning:**

It is expected that...

- Children practise some **Maths** skills throughout the week (NumBots) this can be games at home such as counting, sorting, following routines, measuring and weighing or playing board games.
- Children **read** with an adult for a minimum of 5 minutes every day.
- A '**Homework Menu**' will be sent home at the beginning of each half term. Please email/ tweet/ send in via google classroom or bring in work to share at the end of each half term.

**Our theme this term is... Why did kings and queens live in castles?**

In **History** we will learn about some famous kings and queens of England and explain why they are famous, we will look at castles and discuss the purpose of their key features and will order some key events onto a timeline. In **Geography** we will be learning about the four countries within the United Kingdom and their capital cities. We will place castles onto a map of the UK. We will also learn about materials in **Science** and discuss the importance of their properties to suit their purpose. In **English** lessons our writing will be based on stories and poems about castles. We will look at portraits of Monarchs and paintings of castles in **Art** lessons. We will design and build in **D&T** our own castles and explore the different structures used. In our **RE** lessons we will explore how Christians celebrate Christmas and think about what gifts we could give Jesus if he had been born in our town rather than Bethlehem. We will sing songs in **Music**, learn basic **Spanish** greetings and use the chromebooks in **Computing**.

Please let us know if you have any useful information or resources which you would be willing to share with us.
