<p>At Cherry Tree we understand the importance of enabling our children to become confident and enthusiastic readers. Reading frequently to children, and engaging them actively in stories, non-fiction, rhymes and poems, will give children the opportunity to thrive. Books are used in every area of our teaching and are an integral part of Cherry Tree School. Please read with your child at home, encourage them to read independently and ensure that a log of their reading is kept in their Reading Record which will be brought into school each day.</p> 	<p>School starts at 8.50 am School will finish 3.15 pm</p> <p>PE is on Thursday but we do expect the children to have their PE kits in every day.</p> <p>End of Spring term is 1st April @ 1.30pm.</p>
<p>Home Learning:</p>	
<p>Home learning will be sent home this Friday. It is expected that...</p> <ul style="list-style-type: none"> • Children practise their spellings and times tables throughout the week • Children read to an adult at home at least 3 times a week and that this is recorded in their reading record • Homework is completed on time and to a high standard • A homework book will be given to your child in which they can record their home learning. Please keep this at home until all homework tasks have been completed for the half term. • We will share and celebrate everyone's home learning during the final week of the half term. <p>As well as this, a 'Homework Menu' will be sent home at the beginning of each half term. The children will have a set number of activities to choose from to complete over the weeks. This is due in during the last week of the half term.</p>	
<p style="text-align: center;">Our theme this term is...</p>	
<p>Our Theme this term is: How creative were the Egyptians?</p> <p>During this half term we will be investigating Ancient Egypt. Where and when was the land of Ancient Egypt and the pharaohs? What do we know about the lives of these creative people? How do we know so much about the past? We will research important people and events from the past that have enabled us to uncover the facts about life at this time e.g. Howard Carter.</p> <p>Much of our English will reflect these fields of study through the book <i>Weslandia</i> by Paul Fleischman. In this story, our hero Wesley, creates a civilisation. This will give us an insight into how civilisations are founded and we will explore the similarities to the civilisation the Ancient Egyptians founded thousands of years ago.</p> <p>In Science we are investigating Sustainability and the importance of our oceans to ensure we have a healthy world.</p>
