

GUITAR LESSONS AT CHERRY TREE JUNIOR SCHOOL

Dear Parent/Guardian

Hi, my name is Micky Englert and I am a local guitar teacher. I have fourteen years teaching experience in schools and prior to the first lockdown in March 2020 I had taught at Cherry Tree Juniors for around ten years.

I am a freelance teacher, which allows me to charge a lower rate compared to the companies who offer music lessons to schools. My charge is £55 per term and I will do at least 33 lessons over the school year. The lessons are 20 minutes and are generally shared (2-3 at a time, depending on the individuals).

Students start by learning basic chord shapes in order to strum along to popular songs. They will then learn to play some rock riffs and simple melodies. All students learn basic keyboard skills to enhance their musical understanding and confidence. I also teach basic drumming skills, which I have found greatly increase students' rhythmic and timing senses.

I work students hard during lessons, but always with the emphasis on having fun and enjoyment. I have a very low drop out rate.

Initially no equipment is needed as I provide guitars during the lessons. I only recommend nylon strung classical guitars for beginners.

If you are interested in your child starting guitar lessons in the Autumn term please email me directly on mickyenglert@outlook.com stating your child's name and their class (Sept 21). Or print out the form slip below and return to the school office.

Details of how to pay for the lessons will be sent out early in the new term once the lessons have commenced.

Thank you.
