

Sports Premium 2022-2023

As you may be aware, the Government has provided, since 2013, additional funding each academic year to improve the provision of Physical Education (PE) and sport in primary schools. This funding is provided jointly by the Departments for Education, Health and Culture, Media and Sport. For the Academic Year 2022-2023 we will receive £19,340.

We use the allocated money to enhance sporting activities and provision for our children.

2022-2023 – Current Year

£19,340 - for a sports coach to enhance sports focusing on ensuring all pupils engage with regular physical activity. Challenge Sports are used during lunch time activities as well as before and after-school clubs to enhance and promote the P.E. curriculum. They are also used to enrich the inter-trust competitions for our trust schools to work in partnership. Challenge Sport are used to upskill the teachers PE knowledge.

2021-2022 – Last Year

£16,000 - for a sports coach to enhance sports focusing on ensuring all pupils engage with regular physical activity. The sports coach is used during lunch time activities as well as before and after-school clubs to enhance and promote the P.E. curriculum.

£250 – 5 a day subscription – Early Years have physical movement everyday carrying out a range of dance routines.

£1000 – Year 5 and 6 Bikeability

£350 KS1 Sports Equipment

£305 EYFS Sports Equipment

£100 PE T shirts for pupil premium

£1948 KS2 Sports and booster swimming lessons, equipment and sports events

How the funding has impacted positively on the Teaching and Learning of PE

The emphasis on Physical Education at Cherry Tree encourages pupils to adopt a long term, healthy lifestyle that is enjoyable and fulfilling. This culture inspires our children to engage in physical activity which raises their attainment, extends their potential, and develops a lifelong, active lifestyle.

Sports Premium funding is having an impact on the physical development of our pupils. In July 2022 data analysis showed that, on average, over 94% of pupils are working at the expected level or above and 9% are exceeding their expected level for their age in PE compared to 60% in 2014. This percentage has increased from 87% since we have had a sports coach teaching and supporting P.E. across the school.

In July 2022, 71% of Year 6 children could swim more than 25 metres. They are taught to swim on their front and back as well as breaststroke. Children are also taught how to perform safe self-rescue skills in a variety of contexts. Covid has had a significant impact on their ability to swim.

This term Challenge Sport are working with the specialist PE teacher to ensure pupils have a high-quality PE session as well as closing the gaps due to Covid.

We have also had our school mapped out for orienteering courses with plaques up around the school grounds. All Teachers have been trained on orienteering skills and how to teach this during their PE lessons. We will encourage staff to use this during the academic year.

We are continuing with the Daily Mile to the school. This is a fully inclusive, free and simple initiative which improves the physical and mental health and wellbeing of children. We took part in the mini marathon running 2.6miles which is supported by Virgin. All children walked, jogged or ran the 2.6miles and received a certificate and a badge.

Enrichment - Creating rich, varied and inclusive school sports opportunities as an extension to the curriculum

During 2022-2023 all of our pupils will have had the opportunity to take part in school sports clubs, National School Sports Week and theme days throughout the year.

Impact of sports premium on children attending clubs:

- Offering a variety of clubs has resulted in children having a wide range of choice and more skills being learnt.
- The number of children attending the clubs since Autumn 2012 has increased from 50 to 150.
- Some children are participating in more than one club during the school week.

Plans for the rest of the year 2022-2023:

- National Sports Week and Sports Day
- Mini marathon
- Supporting head teacher to complete the marathon
- Matches against other schools
- Trust competition.

Sustainability

Through CPD our staff have enhanced their knowledge which they will continue to use when teaching sports lessons.
