Learning Together, Learning for Life

3rd October 2018

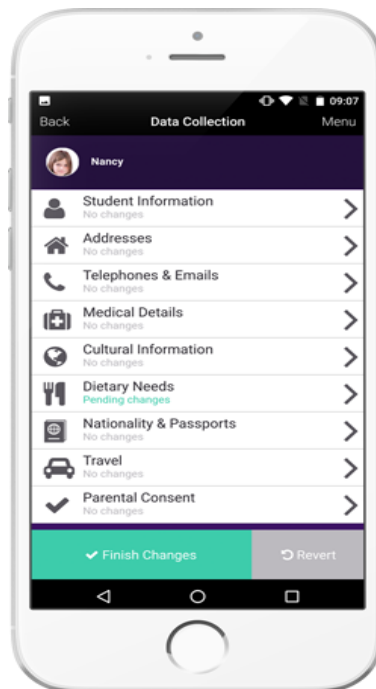

Dear Parents/Carers

Parent Lite App

In order to improve home/school communication, we are launching the SIMS Parent Lite app. The SIMS Parent Lite app is free and helps schools comply with the new GDPR data requirements, by providing a simple way to collect, manage and handle information by obtaining accurate data securely from parents.

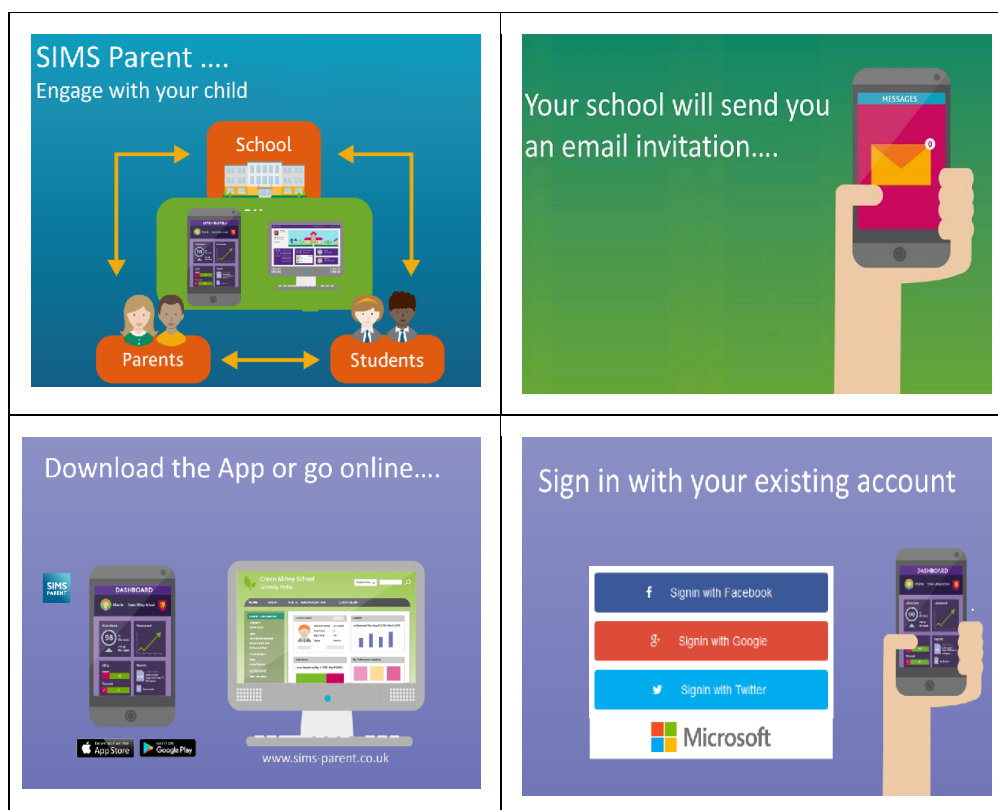

Once you have received the activation email, it is important that you check and update the information we hold on you and your child/ren by **Monday 15th October** at the latest.

The app is available on iOS and android for use on mobile devices and even as a browser, the SIMS Parent Lite app provides a convenient and accessible solution for parents to electronically review and request changes to the data held on them and their children.

- You will receive an email invitation from the school directing you to complete the registration process for SIMS Parent.
- Parents can access the SIMS Parent website by going to <https://www.sims-parent.co.uk> or via the SIMS Parent Lite app.

- Once the SIMS Parent Lite app is downloaded onto a mobile device, an icon will be available on the device menu that will take you directly to the app.
- Registration for SIMS Parent Lite is completed via the SIMS ID website, where you can select the account provider you wish to register and sign in with.

Please note that your activation email is unique to you and should not be used by anyone else. If you require an additional login then please contact the school office.

Your activation email will expire after 14 days if it is not used, please contact your school if you require a replacement after this date.

To update Parent/Carer contact details, please scroll down to the 'Contact' section as your current details will appear here and not in the 'Telephones and Emails' section.

It is very important that we have the correct details for your child. If you are unable to access these systems and need to update your data please come to the School Office. We can then print off a copy of your details for you to check and update.

Yours sincerely

Jessie Bruce
