## Science Week

The children have been focusing on Science this week. Experiments have included 'Does your shoe size determine how far you can kick a football?', 'Do people with bigger hands hold more?' and 'What happens to a chocolate button if you hold it in your hand?' Some children also made ball shooters, created volcanoes and watched the weather. Take a look on Twitter!

## School Lunches

Our school lunches are now provided by Chartwells and we are using the new menu emailed earlier this half term. Please be aware that pizza is no longer served on Fridays and is now on Mondays, so if your junior child would like to enjoy pizza on Mondays, please contact the School Office. The daily cost is £2.15 and payments must be made in advance of meals taken on School Gateway.

## Bug Hotels - Reception

As part of their theme work, Berries, Acorns and Conkers had a fantastic time creating bug hotels yesterday. Thanks to Dale from Veolia who brought equipment and helped the children build the structures.

## Phonics Screening

Next week, all Year 1 children and some Year 2 will be completing their Phonics Screening Tests. Their results will be given with their annual reports later this term.

## Mayan Chocolate Experience - Year 3

Next week, as part of their work on Mayans, Year 3 have a chocolate workshop visiting them. The first session is on Wednesday 12th June for Sycamore Class and then on Thursday 13th June for Hazel.

## Year 6 Transition to Secondary School

Year 6 will be visited by Watford Schools Trust on Thursday 13th June to talk about moving on to Secondary School. Over the next few weeks, children will be visited by representatives from their allocated secondary schools to talk to the children about how they can help with the move.

## Foundation Den Building Day

Next Friday 14th June, Berries, Acorns and Conkers will be spending the day out doors building dens. The children can come to school in their own clothes ready for a day outside.

## Staffing

We welcome Ms Zhou-Yang who will be joining our team of cleaners from Monday.

## Road Closure - Advance Warning

There will be a road closure in Foxhill on 27th June 2019. Boards will be erected with full details nearer the time. Please allow extra time for your journey and parking on this day.

## Reminders

- With the weather improving, please remember to apply sunscreen to your children before school. They should also have a hat in school.
- Water - please remember to send your child into school with a refillable water bottle every day. It is better for the environment and can be refilled in school during the day.
- PE Kits - children should have their PE kit in school every day as there are many opportunities for sporting activities outside of their usual PE lessons.
