Packed Lunches/Snacks - NO NUTS

Due to a number of children with severe nut allergies in school, we must ask parents not to send **any** nut products into school. If your child has a packed lunch, please **do not** use Nutella, chocolate spread, peanut butter or any other spread that may contain nuts/or cereal bars with nuts.

MacMillan Cancer - Brave the Shave

A quick reminder that Mrs Topham, will be 'Braving the Shave' and having her head shaved during assembly next Friday 27th September to raise money for MacMillan Cancer Support charity. The children will be sharing this experience and are welcome to bring in a £1 donation on the day which will be passed on to the charity.

Lateness

We have noticed that there are a number of children who are late to school in the morning and Parents/Carers who are late collecting children at the end of the day. Whilst we understand that on odd occasions something may happen, however please contact the School Office to make us aware. Attendance and lateness are closely monitored and we will be contacting Parents/Carers of children who are repeatedly late at the beginning or late being collected at the end of the day.

Pets Corner

We would like to create a 'Pets Corner' display at school. If you have a picture of your pet that you would be happy for us to possibly include, please email it to Mrs Ranyard at jranyard@cherrytree.herts.sch.uk.

Walk to School

As part of healthy lifestyles, we encourage all our families to walk to school when they can. Not only is it healthier but it is also a good opportunity to spend time talking to your children about their day and will help with parking issues. Every child has been given a badge to take home to encourage them to walk.

Reception Reminder

Please remember if your child is in Reception Acorns or Conkers they must have their PE Kits and wellington boots as soon as possible and please make sure they are named.

Parking Reminder

Please remember to park legally and with consideration of pedestrians, local residents and other car drivers. Please do not park in the middle of the roundabout. Also, when parked, please switch off your engine as this polutes the atmosphere.

Year 6 - Secondary Admissions

If your child is in Year 6, the process to apply for a secondary school place started earlier this month. Open Events for individual schools are taking place and the deadline to submit your online application is 31st October. Please visit the HCC website www.hertsdirect.org/admission for more info.

General Reminders:

Coats- as the weather is now becoming cooler, please make sure your child has a named coat in school every day.

Water Bottle - children should have a named water bottle in school every day. This can be refilled at school when needed but should go home after school every day for cleaning.

PE Kits - please make sure your child has their PE kit in school every day and that it is named. They have their scheduled PE days but there may also be other opportunities that they may need their kits for.
