Match Funding

Match funding is a simple way to maximise fundraising. If companies subscribe to the scheme, they will match fundraising by their employee. We would like to thank Mrs Campbell who helped raise £250 match funding from her company from helping out our Book Fair last term. This money will be used to purchase more books for school. If any other parents/carers think their company could help with Match Funding, please let the School Office know.

Pets Corner

Mrs Ranyard would like to thank everyone who has sent in a photo of their pet for our 'Pets Corner' display. If you would still like to submit a picture, please email it to jranyard@cherrytree.herts.sch.uk.

Rag Bag

The company that ran the Rag Bag, clothing and textile recycling bank, that was located near the entrance to Berry Avenue, has ceased trading. The 'Friends' will be looking into other possible providers but until this time, we are unable provide this recycling facility.

Children's University

We have just been informed that West Herts College are no longer the sponsor for Children's University and this has passed to Oaklands College. All previous logins are not currently working and we are in the process of contacting Oaklands for more information and how to continue with the scheme. Please bear with us.

Year 5 Mindfulness Course

Fir and Pine classes are currently taking part in a fully accredited 12 week Mindfulness Course. To compliment this, we are able to offer a limited number of free spaces for parents/carer, on a Mindfulness course running at Watford Central Library. There are evening and daytime sessions available and places are available on a first come, first served basis. If you would like more information, please speak to Mrs Chauhan in Year 1 Maple class, or contact the school office.

Parking

Again we have received complaints about parking. Please remember to park with consideration of other road users, pedestrians and residents. Please also park legally and do not use any parking bays that are not for general use, or block driveways
