Dear Parents/Carers of children in Year 6

A huge focus in Year 6 this year is boosting the quality and depth of creative writing across the year group. To increase the amount of opportunities for children to write creatively and improve their independent writing skills in general, we would like to invite all children to attend the Creative Writing Club after school on **Thursdays, 3:15pm to 4:15pm** beginning on Thursday 9th January 2020.

This club will focus on advancing writing skills using a variety of engaging stimulus, such as drama, books and even films. We will focus on writing in a variety of different styles to suit different purposes, with the aim to present a portfolio of wonderful writing at the end of each term.

The Creative Writing Club promises to be an engaging and enjoyable experience that will allow children to use their imagination whilst accelerating their creative writing skills. Children are free to bring their own refreshments to fuel their creativity.

If your child would like to attend the club, please fill in the slip below and hand it in to your child's Class Teacher by Wednesday 18th December 2019.

Thank you for your continued support but if you have any questions, please let us know.
