Learning Together, Learning for Life

Sports Premium 2019-2020

As you may be aware, the Government has provided, since 2013, additional funding each academic year to improve the provision of Physical Education (PE) and sport in primary schools. This funding is provided jointly by the Departments for Education, Health and Culture, Media and Sport. For the Academic Year 2019-2020 we will receive £19,229.

We use the allocated money to enhance sporting activities and provision for our children.

2019-2020 - Current Year

£15,994 - for a sports coach to enhance sports focusing on ensuring all pupils engage with regular physical activity. Mr Blake is used during lunch time activities as well as before and after-school clubs to enhance and promote the P.E. curriculum.

£250 - 5 a day subscription - Early Years have physical movement everyday carrying out a range of dance routines.

£1246 - Bikability for Year 5 and 6 in the summer term.

£300 - Sports tops for staff to give P.E. a high status around the school.

£450 - Orienteering CPD for staff to ensure they are able to deliver high quality orienteering lessons

£989 - TBC

2018-2019 - Last Year

£15,500 approx - for a sports coach to enhance sports focusing on ensuring all pupils engage with regular physical activity. Mr Blake is used during lunch time activities as well as after-school clubs to enhance and promote the P.E. curriculum.

£250 - 5 a day subscription - Early Years have physical movement everyday carrying out a range of dance routines.

£500 - Fitter Future subscription - Children can access P.E. from home. They log in and carry out a range of workouts. We also use this at school during wet weather or between sessions to get the children active.

£1240 - Equipment - equipment has been replaced and updated to ensure all children have access to a range of P.E. equipment during lessons and lunchtimes.

£1246 - Bikability for Year 6 in the summer term.

How the funding has impacted positively on the Teaching and Learning of PE

The emphasis on Physical Education at Cherry Tree encourages pupils to adopt a long term, healthy lifestyle that is enjoyable and fulfilling. This culture inspires our children to engage in physical activity which raises their attainment, extends their potential and develops a lifelong, active lifestyle.

Sports Premium funding is having an impact on the physical development of our pupils. In July 2019 data analysis showed that, on average, over 94% of pupils are working at the expected level or above and 9% are exceeding their expected level for their age in PE compared to 60% in 2014. This percentage has increased from 87% since we have had Mr Blake teaching and supporting P.E. across the school.

In our current Year 6, 71% of children can swim more than 25 metres. They are taught to swim on their front and back as well as breaststroke. Children are also taught how to perform safe self-rescue skills in a variety of contexts.

Last year and it will continue this academic year teachers are supported during most of their P.E. sessions with a Sports Coach (Mr Blake). He plans, works alongside and delivers high quality sports. This in turn will increase confidence, knowledge and skills of all staff in the teaching of PE and Sport. Mr Blake runs a football club where they have been playing matches against other schools.

We have also had our school mapped out for orienteering courses with plaques up around the school grounds. All Teachers have been trained on orienteering skills and how to teach this during their PE lessons.

We are continuing with the Daily Mile to the school. This is a fully inclusive, free and simple initiative which improves the physical and mental health and wellbeing of children.

Enrichment - Creating rich, varied and inclusive school sports opportunities as an extension to the curriculum

During 2019-2020 all of our pupils will have had the opportunity to take part in school sports clubs, National School Sports Week and theme days throughout the year.

Sports Clubs:

Autumn 2019:

Gymnastics x2, Archery, Football x2, Basketball, Multisports x2, Netball/Basketball, Street Dance, Dodgeball

Spring 2020: Gymnastics x2, Archery, Football x2, Tennis, Multisports, Street Dance, Dodgeball, Indoor Cricket,

	Attendees	Pupil Premium	White British	Boys	Girls
Autumn 2012	52 children attended sports club	1	11	33	19
Autumn 2017	116 children	9 (school pays $\frac{1}{2}$ price for these children)	30	69	47
Autumn 2018	244 (some of these go to more than one club)	18	68	135	98
Autumn 2019	178 (some of these go to more than one club)	12	74	106	72

	Attendees	Pupil Premium	White British	Boys	Girls
Spring 2013	49	1	18	25	24
Spring 2018	104 children	4	33	64	40
Spring 2019	202	17	71	118	84
Spring 2020	206	16	91	139	67

	Attendees	Pupil Premium	White British	Boys	Girls
Summer 2013	59 children	5	6	23	36
Summer 2018	107 children	5	28	68	39
Summer 2019	202 children	16	85	126	76

Impact of sports premium on children attending clubs:

- Offering more sports clubs has resulted in a greater number of pupils taking part.
- The number of children attending the clubs since Autumn 2012 has increased from 50 to over 200 children.
- Some children are participating in more than one club during the school week.
- As we now have our Sports Coach half of these clubs are free which has resulted in a greater uptake of children.

Plans for the rest of the year 2019-2020:

- National Sports Week and Sports Day including.
- Intra School competitions.
- Sports Relief.

Sustainability

Through CPD our staff have enhanced their knowledge which they will continue to use when teaching sports lessons.
