Dear Nursery Parents/Carers

Nursery – Voluntary Contribution

We are really pleased how well the children have settled into Nursery this year and we thank everyone for making the start of term the success it has been.

In order to enhance your child's learning during their time in Nursery, we are asking for a voluntary contribution per child per term. This contribution will go towards providing your child with additional experiences to explore and investigate materials in a rich learning environment. The money will be used for ingredients for recipes, for food from around the world and resources for outdoor learning, such as plants and compost. We believe these additional resources will benefit your child in their learning and they will also be able to share their experiences with you.

The contribution is set at £7.50 for the children doing 15 hours a week and £15.00 for the children who are 30 hours per week. Contributions can be made on Arbor. We have included information on how to set up your Arbor Parent Portal with this letter. Please could you pay your voluntary contribution by Monday 5th October 2020.

We do hope that you will be happy to pay this voluntary contribution to enhance your child's learning, but if you have any queries, please speak to Miss Birdsall, our Foundation Stage Leader, or a member of the Nursery Team.

Yours faithfully

Cheska Tyler
